Mayor Nathan See stated the purpose of the hearing was to hear input for an all-inclusive park grant.

Cassie Elliott, grant writer for this project, explained this 50/50 matching grant with those present. She explained this was a very competitive grant for projects from \$250,000 to \$500,000. Also, if we receive this grant the City's financial portion of this grant can be partially in-kind work.

There were a few public comments in favor of this all-inclusive park.

With no further comments Mayor See closed the hearing.
